

RESOLUTION # 1004 - ~~10~~ 13

RE: Great Lakes Trout Stamp.

The problem: The department assesses a \$10 fee for the "Great Lakes, <sup>Trout</sup> Stamp", the customer does not actually receive a stamp since they are no longer printed. I feel that this is unfair ~~and~~

Solution: If this is a necessary fee, raise the price of the license by \$10 and forget about the stamp fee. OR make the stamp available.

Therefore: be it resolved that the conservation congress @ its annual meeting in Clark County on 8 Apr 12 recommends that the Congress work with the Department to resolve this issue.

 Thank you!
